

Milazzo Bianco 6"x6" & Silver Clouds Polished 12"x24"

Marsala Bianco Ceramic Collection

Marsala Bianco is for those who love traditional patterning but prefer to use it in an updated, more subtle fashion. Taking inspiration from a 19th and 20th Century Sicilian artistic genre, Marsala Bianco pays homage to the lively, unique, globally inspired pattern mix found in Sicily, with six decorative designs named after villages there. The feel of this tile is understated, with a mix of warm and cool neutral tones on white, so it fits with any décor. With whispered architectural undertones taken from the Roman, Arabic and Greek influences that are so much a part of history of Sicily, Marsala Bianco brings timeless beauty to interiors.

Completing the line, a beautiful white field tile and choice of complementary trims makes Marsala Bianco simple to use. It is suitable for interior vertical applications including wet areas.
